STAGE 4-5 HISTORY: 2027 AND BEYOND

2026 Subscription - On-Demand (online)

What is the HTANSW Stage 4-5 Curriculum Resource Package?

The online, on-demand Stage 4-5 Curriculum Resource Package produced by HTANSW is for **members only**. It is designed to assist NSW History teachers as they prepare to implement the new Stage 4-5 History Curriculum from 2027. The resource includes a range of videos and downloadable material specifically designed to help teachers make sense of the new Stage 4-5 History curriculum requirements including topics, concepts and skills, historical inquiry, assessment and more. It is not focused on providing in-depth teaching advice on all topics, rather it will help teachers become more familiar with the key components of the Stage 4-5 History curriculum and how these fit together to form scope and sequences and teaching programs.

NOTE: Subscription to this package is sold separately to the Stage 6 Curriculum Resource package.

What will registrants receive?

Faculties that register for the HTANSW Stage 4-5 Curriculum Resource Package will receive on-demand access to a dedicated website with videos and downloadable resources exploring the new (2027) History material for years 7-10. Those who register in 2026 will receive access from their time of registration until 31 January 2027 and enjoy unlimited opportunities to revisit the material as needed in that period.
